- **Install any kind of pool or add a diving board to an existing pool**
- **The occupancy changes from primary to seasonal/secondary or vice versa**

The information contained in this brochure is a brief description of options available from Security Mutual Insurance Company. In the event of a covered loss, the policy that is in force at the time of the loss applies. All submissions are subject to completion of our underwriting process including, but not limited to, review of: a properly signed and completed application, inspection and other underwriting resource material. If there is a conflict between the coverage statements within a proposal and the actual insurance policy, the policy provisions will apply.
