Personal Umbrella

PERFECT FOR

Individuals seeking more than \$500,000 and up to \$2,000,000 of liability insurance. Liability insurance provides funds for covered losses including defense costs arising from injury or damage to another person or property.

In New York State, just about anybody can be targeted by a lawsuit. Homeowners, auto and watercraft insurance provides liability coverage up to a published limit on each policy. The Security Mutual Personal Umbrella Policy is triggered when the limits on existing or underlying policies are exhausted.

Without a Personal Umbrella Policy, you will be financially responsible for major claims and lawsuits greater than the limits of liability in your underlying insurance policies.

If you own property and/or have assets that are worth more than the liability limits covered by your basic policies, ask your independent agent about a Security Mutual Personal Umbrella Policy.
