

Experience Enhanced Security with Multi-Factor Authentication

**SECURITY, TRUST, INNOVATION, PROTECTION,
COMMUNITY**

At Security Mutual, we are dedicated to enhancing your experience and ensuring

your peace of mind. We are excited to announce that our FINYS Suite will be fortified with Multi-Factor Authentication, a robust safeguard feature designed to elevate the security of your personal information. This important enhancement will be activated on November 1, 2024. By implementing this additional layer of security, we reinforce our commitment to transparency and customer satisfaction, ensuring that your trust in us is well-placed. We believe that safety is paramount, and we are here to support you every step of the way.
